

WEL-Life at Kearney Receives 2021 Customer Experience Award from Pinnacle Quality Insight

KEARNEY, Nebraska – WEL-Life at Kearney, a provider of assisted living care, is proud to announce that they are the recipient of Pinnacle Quality Insight’s 2021 Customer Experience Award™. Qualifying for the award in the category of Dining Service, WEL-Life at Kearney displays a continued dedication to providing Best in Class senior healthcare services.

Executive Director Nancy Grimes describes receiving the award as an honor. “We are elated to be recognized by Pinnacle. It’s great to have our efforts acknowledged,” she said. “I’m very proud of our employees for all the work they’ve done on a daily basis to see that each resident is receiving the care and attention they need given the restrictions we’ve had during the pandemic. While their ability to socialize has been limited, it’s good to know they enjoyed our food service.”

Throughout its history of serving the community, WEL-Life at Kearney has placed a strong emphasis on ensuring that the individual needs of every resident are met. Over the course of 2020, a sampling of WEL-Life’s customers and their families have participated in monthly telephone interviews that include open-ended questions, as well the opportunity to rate the facility in specific categories.

Every month, WEL-Life at Kearney has gathered its real-time survey results to gain a better understanding of the resident’s needs and make improvements when necessary. By qualifying for the Pinnacle Customer Experience Award™, WEL-Life at Kearney has satisfied the rigorous demand of scoring in the top 15% of the nation across a 12-month average. Clients have the opportunity to achieve this Best-in-Class distinction on a monthly basis in many categories designed to accurately reflect each resident’s experience.
